form

The petitioner complains that he was excluded from appearing for the Jyotisha examination this year, by the Secretary of H. H. the Maharaja's Sanskrit college committee, on the ground that, at the time of answering the question paper, he was found in possession of a paper containing

something bearing
on the question paper
He explains that at
the time of writing
out the questions
dictated to him, he
had no blank paper
and that therefore
he wrote down the
questions on the paper
that he had with
him and that it
was not his intention
to cheat the examiners.
He therefore prays that
he may be re-examined
and allowed the
scholarship &c,. He
however admits that
the paper he had with
him contained
a few Slokams on
Brihatjatakam and
Gyana Pradeepika (the
subjects in which he
was under going
